

# THE PINK BAG

## FILLING INSTRUCTIONS

1. Unfold The Pink Bag
2. Create rigid sides by standing inside of the bag and folding the sides of the bag out and halfway down
3. Fill The Pink Bag. The heaviest items should be placed in the bottom of the bag.
4. As you fill, bring the sides of the bag up.
5. The yellow straps must be able to connect over the top of the bag to be picked up.

## TIPS AND TRICKS

- Place the heaviest items in the bottom of the bag and distribute the weight throughout the bag as evenly as possible.
- When setting up the bag, make sure the The Pink Bag is in the location where it will remain for pick up before beginning to fill.
- The Pink Bag should be placed within three feet of the road. It should not be within three feet of any personal property including trees, mailboxes, and vehicles.
- Do NOT overfill The Pink Bag. If the yellow straps do not connect over top The Pink Bag it will not be able to be removed and will be left behind.
- If you need further assistance please contact our customer service department or visit our website at [sanitation-services.com](http://sanitation-services.com) for more helpful information.

Call us at 678-455-7819 to schedule the removal of The Pink Bag once filled.
